WHY SHOULD YOU COOPERATE WITH THERMACUT?

- Our cutting tips are equal to OEM quality, but are available at a more reasonable cost.
- Our personal approach - Thermacut Sales Representatives not only assist you with purchasing our products, but are also technically trained and able to provide troubleshooting support and advice over the phone.
- Our order fulfillment rate - in most cases Thermacut cutting tips are shipped on the day of order, or within 24 hours at the latest.
- Our products are manufactured on latest generation of CNC equipment, and we have an experienced international engineering development team and technicians that allows Thermacut to completely guarantee its products.

This approach has made Thermacut one of the most successful companies in the replacement of plasma cutting consumables and torches worldwide.
